(d) Special service districts may contract with a franchised, certificated public utility for the construction and operation of an electrical service distribution system within the special service district.  (2) (a) The area within any special service district may include all or any part of the county or municipality that established it except that:

- 2 -

12-16-04 9:54 AM S.B. 80

(ii) a special service district established by a county may contain all or a part of any municipality or of an existing improvement district that provides the same service proposed to be provided by the special service district, but only with the consent of the governing authority as provided in a resolution or ordinance adopted by the governing authority; and

- (iii) a special service district may not include any area not directly benefitted by the services provided under this section without the consent of the nonbenefitted landowner.
  - (b) All parts of a special service district need not be contiguous.

- (3) (a) As provided in Section 17A-2-1315, the governing authority of any special service district created under this part may create one or more improvement districts within the boundaries of the special service district by following the procedures in, and meeting the requirements of, Chapter 3, Part 2, County Improvement District Act, or Part 3, Utah Municipal Improvement District Act.
- (b) The intent to create an improvement district need not be present at the time a special service district is organized.
- (c) Any improvement district created within the boundaries of a special service district may only be organized to undertake projects or improvements for which the special service district creating that improvement district was organized.
- (d) The special service district shall meet all procedural requirements for creating an improvement district at the time the improvement district is created, as provided in Section 17A-2-1315 and in Chapter 3, Part 2, County Improvement District Act, or Part 3, Utah Municipal Improvement District Act.
- (e) In determining whether or not a project or improvement undertaken by an improvement district is within the scope of the purposes for which the special service district creating that improvement district was organized, any project or improvement reasonably related to the purposes for which the special service district creating that improvement district was organized is considered to be within the scope of those purposes.
- (4) The creation of a special service district to provide jail services as provided in Subsection (1)(a)(x) does not affect the ability of a municipality under Section 10-8-58 to provide, operate, and maintain facilities for the temporary incarceration, not to exceed 72 hours, of persons charged with the violation of a municipal ordinance.
